“ Chris Baird -- kind, affable, handsome, and a special soul. I casually knew of Chris in the 70s -- a striking individual aesthetically with a personality to match. Kept bumping into Chris in Greenville up through the 90s. We shared our love of ponds and waterfalls, and beautiful landscaping. His humble, pensive, and sincere nature were comforting and very rare qualities. Wish I could have bumped into Chris again over the last decade. Rest well, sweet soul.
